## TOWN WARRANT

---

### STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in Town affairs:-

You are hereby notified to meet at the Town Hall in said Charlestown, on Tuesday, the tenth (10th.) day of March next at nine o'clock in the forenoon, to act upon the following subjects-

Art. 1. To choose the necessary officers for the ensuing year.

Art. 2. To consider the Budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, and for necessary charges arising within the Town.

Art. 3. To see if the Town will vote to allow the Selectmen to deliver the inventory blanks at the time of taking inventory.

Art. 4. To see if the Town will vote to authorize the Selectmen to borrow on notes on the credit of the Town, such sums of money as may be needed to meet current expenses in anticipation of taxes.

Art. 5. To see what sum of money the Town will vote to raise and appropriate for the purpose of lighting the streets within the Town.

Art. 6. To see if the Town will vote to allow 4% discount on all property taxes paid on or before June 15th. 1936, 3% on or before July 15th. 1936, 2% on or before August 15th. 1936, and 1% on or before September 15th. 1936.

Art. 7. To see what action the Town will take in regard to spreading oil on the village highways within the Town.

Art. 8. To see if the Town will vote to raise and appropriate a sum of money for the care of the trees on the village streets.

Art. 9. To see if the Town will vote to raise and appropriate a sum of money for the purpose of co-operating with the State Forestry Department in regard to White Pine Blister Rust control.

Art 10. To see if the Town will vote to adopt the provisions of the Municipal Budget Act.

Art 11. To see if the Town will vote to install a catch-basin on East Street near the School buildings and raise and appropriate money for the same.

Art. 12. To see if the Town will vote to discontinue that part of School Street that borders School land.

Art. 13. To see if the Town will vote to plow the Church yards and Cemeteries after each storm.

Art. 14. To see if the Town will vote to raise and appropriate a sum of money to gravel and raise the sidewalks on Main Street, on the East side from the Catholic Church to Paris Lane, and on the West side from the Unitarian Church to the Lower Landing Road.

Art. 15. To see what action the Town will vote to take toward relieving lower Main Street of the surface water which collects there at different times in the year.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$2,793.00 for State Aid Construction, the State to give \$2,793.00, money to be expended on the Forest Road so-called leading from South Charlestown to Langdon, balance of construction fund may be expended after completion of the Forest Road, on the River Road so-called at North Charlestown.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$719.89 for Town Road Aid, the State to give \$2,879.56, this money to be expended on Class V Roads.

Art. 18. To see if the Town will vote to gravel the south end of West Street from the Mayette place to the junction of road leading to Lower Landing and raise and appropriate the sum of \$100.00 for that purpose.

Art. 19. To see if the Town will vote to instruct the Selectmen to lay out roads and lots in the new addition to Hope Hill Cemetery to supply the suitable needs for burial, and raise and appropriate \$200.00 for such use.

Art. 20. To see if the Town will vote to use that part of the land North of the Hoyt Mausoleum grounds in Forest Hill Cemetery for burial purposes.

Art. 21. To see if the Town will vote to authorize the Selectmen to cooperate with the Federal Government in such WPA projects as they think are for the benefit of the Town.

Art. 22. To see if the Town will vote to accept all Trust Funds received during the past year for perpetual care of lots in the Cemeteries.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$200.00 to purchase fire hose for the Fire Department.

Art. 24. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen, and pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-second (22nd.) day of February, in the year of our Lord, 1936.

W. B. WOOD, (Seal)

J. L. PUTNAM, (Seal)

R. K. WEEKS, (Seal)

Selectmen of Charlestown

A true copy of warrant—Attest:

W. B. WOOD,

J. L. PUTNAM,

R. K. WEEKS,

Selectmen of Charlestown

G. C. DODGE, Superintendent

**HEALTH OFFICER'S REPORT**

From February 1, 1935 to February 1, 1936 the following contagious diseases have been reported:

Scarlet fever 2

Infantile paralysis 1

There has been one child health clinic held at which 41 children attended. 32 were found with defects numbering 87, four were found corrected. One Diphtheria Immunization Clinic was held at which 45 received treatment. Routine home visits were made to all new born infants, and children of pre-school age, under the direction of Miss Elizabeth Carriel, State Board of Health nurse in Sullivan County.

Several samples of water from Village and North Charlestown water supplies have been sent to the State Laboratory with good reports. Milk samples from various local dealers have also been submitted, all showing good quality. Results of these tests may be seen at any time on application to the local health officer.

Respectfully,

LOUIS L. COMSTOCK, Health Officer

On June 7th, 1935 Mrs. Charles H. Morse paid the Treasurer the legacy left the Library by Charles H. Morse, amounting to ten thousand dollars, the money to be deposited subject to release by the Surrogate Court of New York. This money was placed on deposit in the Claremont National Bank and the Connecticut River National Bank until released by order of the Executors November 25th, 1935.

The above funds are deposited as follows:

Connecticut River National Bank, Savings Department,	\$ 5,000.00
Cheshire County Savings Bank, Keene, N. H., Book No. 26668	1,000.00
Keene Savings Bank, Keene, N. H., Book No. 18586	1,000.00
Hillsboro County Savings Bank, Manchester, N. H., Book No. 32916	1,000.00

Walpole Savings Bank, Walpole, N. H., Book No. 7786	1,000.00
	<hr/>
	\$10,000.00

FRANK W. HAMLIN, Treasurer

### Report of Librarian

Total circulation	5,290
Adult in village	3,436
Juvenile in village	1,146
Adult non-fiction	189
Juvenile non-fiction	53
R. F. D., circulation February to June 22	466
Number of books owned at beginning of year	10,681
Number of volumes added	88
By purchase, none	
By gift	88

Gifts were from, Rev. Dudley R. Child, Rev. Louis Reed, Mr. A. H. Sayce, Mr. Joseph Hunt, Mrs. Nile Stevens, Mr. A. H. Haywood, Miss Mary Thompson, Mrs. Sherwood, Miss Hubbard, Mrs. Herx, Mr. Lawrence Smith.

Owing to lack of funds the circulation of books by the R. F. D. had to be given up after June, and for the same reason no new books could be bought. I would like to call the attention of our patrons, particularly parents, to the careless handling of books, letting them get into the hands of small children. Books come in with pages torn entirely

out or badly mutilated, and many badly pencil marked. Please be more careful or we shall have to take harsh methods to protect our books.

We came into possession this year of the \$10,000.00 left us by Charles H. Morse and we shall hope to get the benefit of the legacy very soon.

On December 5th, Mr. Eddie Morrill put on at the Town Hall a fine presentation of The Old Homestead. He taking the leading part of Josh Whitcomb. Many thanks are due him and the company as it brought us \$57.00 for new books.

On August 17th, the Town celebrated the 200th Anniversary of the granting of its charter. The Library was open all day with an Exhibition of old books and newspapers, and much interest was shown in them.

The plays of the late Charles H. Hoyt are receiving attention from persons out of town. Letters have been received from San Francisco, Birmingham, Ala., and Worcester, Mass., asking to borrow them, which of course we had to refuse.

Respectfully submitted,

ANNA LOUISE WEBBER, Librarian

### AUDITORS' REPORT

We, the undersigned Auditors of the Town of Charlestown, have examined the accounts as set forth in the accompanying schedules of the Selectmen, Town Treasurer, Treasurer of the Silsby Free Public Library, Water Commissioners, Town Clerk, Tax Collector, and Trustees of Trust Funds, and other Town Officers, and find them correct.

D. THEO. HOFFMAN

ALICE E. ADAMS

CARL A. BUSWELL

Auditors

February 19, 1936

## Recommendations of the Finance Committee.

That the items in the budget be approved. This provides for articles 2, 5, 6, 7 and 8, in the town warrant.

That all appropriations made for highway purposes be taken from monies raised in the Budget for HIGHWAYS and not by special tax.

That article 16 be adopted. This is NOT provided for in the budget and if adopted and no other appropriations are made, the tax rate for 1936 will figure approximately the same as in 1935.

Further appropriations will increase the tax rate .06 per \$100.00 valuation for each \$1,000.00 appropriated.

The tax bill is becoming a great burden and increasingly more difficult to pay. This is amply shown by the large amount of uncollected taxes and number of tax sales each year.

With this condition in mind, the finance committee recommends that if any other substantial obligations are incurred, it should be only after careful deliberation and with extreme caution.

### **Report of Superintendent of Schools**

To the Charlestown School Board:—

I hereby submit my sixth annual report as your superintendent of schools.

Four able teachers resigned at the close of last year. Two, Misses Winifred and Bertha Hall, to be married, and two, Principal Elliot Burbank and Miss Dorothy Simmons, to accept positions in other school systems. Several changes were made to cover these losses. Miss Helen Streeter, who has had unusual success in teaching mathematics at North Charlestown, was placed in charge of the fifth and sixth grades and the teaching of mathematics in grades 3 to 8; Miss Dorothy Bailey was given the third and fourth grades rooms and the reading in grades 3 to 6; Miss Hilda Wright was placed in charge of the second grade. Five new teachers were hired, Miss Mildred Holcomb as principal of Charlestown Junior High School, Mr. John Lylis for manual arts and science, Miss Elizabeth Smith for the four upper grades of Farwell School, Miss Marjorie Ahern for the South School and Mrs. Vaunda Steele for music. Harmony and earnestness are strong among the teachers and pupils helping the school to maintain a high grade of work this year. I feel that we are truly fortunate in holding ten strong teachers of last year's force and in the quality of the five new members.

Due to several factors the financial strain has been stronger this year than usual, but by putting a number of needs off until next year we shall be able to hold a balanced budget. It seemed right that if we were to have music again in the schools we should have a special room and equipment; the W.P.A. offer was too valuable to refuse; and we placed extra coal in the schools this year to be prepared.

This year we have tried to place music on a strong foundation. Mrs. Vaunda Steele, whose ability and enthusiasm were well known, was hired as music supervisor; a special music room was made in the Primary Building;

and the necessary books and supplies furnished. Although there were delays at the opening of the school year caused by the lack of musical instruments, the work in music has far exceeded our expectations. We must not expect too much from our boys and girls, most of whom began their work the first of October with no knowledge of the instruments they were to play, but we have in progress a band of thirty pieces, an orchestra of forty-four pieces, five, drum and bugle corp, glee clubs, appreciation classes, and instrumental classes in addition to the regular class work in music. It would be a great help if we owned a few expensive band instruments that pupils cannot afford to buy.

Our schools are divided into five units cooperating with each other and with the school officials in a way that I consider excellent.

Charlestown Senior High School for four years has been under the control of Headmaster William Steele, a man who holds the confidence and respect of every one. In the main Mr. Steele teaches the social subjects; Submaster Harold Morrill, languages; Miss Florence Weast, mathematics and history; Miss Mary Bond, commercial subjects; and Miss Florence Child, domestic science.

Charlestown Junior High School this year has a new principal, Miss Mildred Holcomb. Miss Holcomb came to us very highly recommended by the school officials of Monroe where she had taught one year as acting principal. In the main Miss Holcomb teaches English; John Lylis, manual arts and social science; Miss Helen Streeter, mathematics and intermediate subjects; Miss Dorothy Bailey, reading and lower grade subjects; and Miss Florence Child, domestic science; Miss Weast teaches one class in general science.

I feel strongly that as far as possible the same teacher should teach a pupil mathematics through grades three to eight. There is no other subject in which a slight change in methods will detract the pupil's mind away from the real content as rapidly as it does in grade mathematics.

Reading in the lower grades has become a specialty and not the work of any teacher who cares to hear pupils pronounce words. I feel confident that if we can hold the same strong teachers a few years there will be a marked strengthening in the preparation of pupils for high school work.

One of the most commendable and doubtlessly the best known activity of the Junior High School has been the basket ball work coached by Mr. Lylis. There has been formed however other clubs that have given the young people a chance for leadership, self-expression and self-inspiration, those guiding hands that raise youth to higher and more worth-while lives than would otherwise be their lot.

The three other units are the lower grades at Charlestown Village where Miss Hilda Wright teaches the second grade and Miss Isabelle Davis the first grade. The Farwell School with Principal Ann Eaton teaching the four lower grades and Miss Elizabeth Smith the four upper grades; and The South School in which Miss Marjorie Ahern teaches the four lower grades. A very high quality of work is being done in each of these schools.

Much of the credit for the fine work in our schools is due the School Board and parents who stand back of the teachers in the demand for good order and hard work, yet the main-springs of any school system are the enthusiasm and ability of the teachers. We must see that there is no let down. One weak teacher would tend to lower the standards all along the line.

The faithful work of your school nurse, Mrs. Z. L. Hasham has been augmented again this year by the excellent results from the dental clinic under Dr. Crandall of Claremont. More than half of the expense of these clinics has been paid by the Charlestown Red Cross. Parents are not charged for any of this work, but gifts will be accepted either by the school officials or by the local Red Cross Society. Dr. Young has been very generous in

giving his services to the schools.

One of the great surprises of this year was a gift to the schools by the Charlestown Fair Association. In addition to a gift to the High School Athletic Association five standard pieces of playground apparatus have been purchased, a five piece set for Farwell School, a five piece set for South School, a seven piece set, a set of seesaws, and a merry-go-round for the Primary School. All of these sets are for small children and are expected to keep them off the streets during play times. They will be set in the spring. Charlestown has been very generous to the schools during the six years that I have been here, but we must use the general funds to maintain the general work of the schools. While it is not a school project, allow me to mention the swimming pool, and in connection with it, the generosity of Mr. Sayce. Such gifts bring to our children the finer things of youth. The school officials, and I am sure, the public in general appreciate those who are instrumental in bringing to our children happiness and health which means so much to them while they are building their foundations for life.

Late in the fall W.P.A. projects were begun at the Village Schools. Mr. Fred Huntley supervised the work and Mr. Fred Hutchins had charge of the paint work. The inside of the Primary building including the music room has been painted three coats, and will stand inspection as first class work; about 180 old seats have been scraped and repaired; and the retaining walls were worked on until it was no longer economical to continue because of the cold. I hope that the project may be finished in the spring. One of the best parts of the work was the repair of the seats. They had become really beyond use, but they were all that we had in the upper rooms. Many told us that they could not be fixed, but a small crew of men, with almost no supervision, experimented and worked hard until they produced excellent results. The saving to the District on this part of the project alone will be more than the total cost to the District.

Two projects have been proposed which seem worthy of consideration. One is to place a catch basin on East Street where the water stands in the spring; the other is to ask the Town to discontinue for automobile use the part of School Street that is crossed by children when going to the Park.

Again I wish to thank the Charlestown School Board, the teachers, and citizens for their loyalty and help.

Respectfully submitted,

WALTER L. MASON

Balance on hand, February 8, 1936	\$ 116.39

W. H. STEELE

February 8, 1936

Charlestown, February 8, 1936

Baseball at Charlestown High School has been supported entirely from funds received from the basketball games. During the past few years no admission has been charged at our baseball games, in fact no type of collection has been asked.

I wish to take this opportunity to express my sincere appreciation for the many kindnesses extended to the pupils of the Charlestown Schools by our townspeople.

In behalf of the Charlestown Athletic Association I wish to thank all members of the Charlestown Fair Association who were instrumental in giving the seventeen basketball jackets to the school.

I wish to thank Dr. O. C. Young, who has examined free of charge, pupils on the Junior and Senior High School basketball squads during the past four years.

The many kindnesses extended by Mr. James Davidson to the basketball squads, relative to bus transportation, is sincerely appreciated.

The use of the Town Hall, so thoughtfully made possible by the townspeople and the Board of Selectmen, is also appreciated.

To the Bi-Centennial Committee and its Chairman, Mr. A. H. Sayce, I wish to express my gratitude for the many improvements made at the Town Hall.

To the Charlestown School Board, Superintendent Mason and all townspeople who have in any way assisted in making possible the purchasing of suitable equipment and providing comfortable bus transportation for members of all athletic teams, I am sincerely grateful.

Respectfully submitted.

WILLIAM H. STEELE, Treasurer

Charlestown High School Athletic Association

### School Health Work, January 1935 to January 1936

The routine health inspection shows greater interest in health habits and personal hygiene among all pupils.

Eighty-four home visits were made by the Nurse to report and stimulate attention regarding handicapping physical conditions. The parents exhibited a genuine interest in the welfare of their children.

One hundred seventy-four school visits were made for health objectives during the year.

Two hundred sixty-seven dental corrections, (cleaning excluded) were made on seventy-eight pupils at the school dental clinic January 1936. This year this service was for the seventh, eighth grades and high school students, with the exception of a few emergency tooth aches from lower grades.

Defects Found		Corrections Made	
No. with enlarged tonsils	14		8
No. with neck glands	18		16
No. with nervous condition	17		11
No. with poor posture	34	Corrective exercise for	37
No. with defective vision	7		4
No. with good teeth	36		
No. with some tooth decay	90		8
No. with serious tooth decay	70		70
No. 10 p. c. under weight	19	Under treatment	19
No. with skin infection	9		9

Hot school lunches will help those who are under weight. Cod liver oil has been given to families who need it.

Weight records are kept in all schools. Close watch is kept of those who are under weight.

Pupils have been accompanied by the Nurse to the Tuberculosis clinics for examination and x-ray.

ZEPHYRINE L. HASHAM

New Hampshire School Nurse
